A statement of your intent to leave a gift to the Foundation through your will or estate plan is all you need to become a member of the Legacy Circle. The Foundation will work with you to document specific ways you would like to be remembered through your gift and how you would like to be recognized. Your gift can be used to establish a new fund that reflects your charitable interests, or you can add it to any of the Foundation’s existing funds.

We will work with you to create a giving plan that fulfills your charitable vision. You can change your distribution instructions, grantees, and percentages at any time without the need to revise your will.
